### **A Healing Prayer to Heal Diseases**

This is a prayer used by some priests of the christian orthodox church to cure patients suffering from serious diseases or ailments. Here the patient is made to lie down and the healer places his hands on his head while chanting this prayer three times. In place of the word Christ or Jesus Christ used in the prayer one can use the word Krishna or My Lord

---

The patient may be addressed thus :- Oh my brother (sister), the Lord is here and now by thy side. Feel His soothing Divine Presence. Feel His boundless Grace, Peace and good health descends on you. All Peace and Bliss. Om Shantiḥ Shantiḥ Shantiḥ. The healer should imagine (visualise) that light blue rays of light

**PRAYER**

**O Christ, healer of all the ills of men,  
be with us at this moment;  
that it may be thy hands  
which are now laid upon this  
Thy Servant (pronounce the name of the  
patient here) and it may be Thy Voice  
which now says unto him (her) .....  
(pronounce the name of the patient)  
Jesus the Christ healeth thee.**

---

are descending, going into the heart of the patient and pervade all the cells of the body. The healer should remain in this pose for 15 minutes to 30 minutes closing his own eyes and meditating on the Grace of God. (This para is an addition from the author of this book based on his own experience).
