

## Doership Gone - Acid test

The ACID TEST IS IF NO TENSION, ANXIETY, WORRY accompanies the action or comes either before or after the action, it means - your Doership is gone.

So long as you have the fear, continue with 1<sup>st</sup> stage - Automatically we will move up when ripe.

The Acid Test is if No Tension, Anxiety, Worry accompanies the action or comes either before or after the action, it means your doership is gone. So long as you have the fear, continue with 1<sup>st</sup> stage – Automatically we will move up when ripe.
