

## Ensnared – Ronald Nixon

Ensnared  
Ronald Nixon (Krishna Prem) told me  
(when I stayed with him for two days) :-  
I saw God face to face in two  
places (1) in BHAGAWAN RAMANA  
(2) in SRIRANGAM TEMPLE –  
in LORD RANGANATHA  
In India we extoll hundreds of  
Sacred places as the manifestation of God  
in person so that people may get  
entangled atleast in one or the other.  
When the father & son are one  
& we are all the sons, the legacy  
has to come & fall on our laps one day  
or other. If you want it earlier, please  
join father.

### Ensnared

Ronald Nixon (Yogi Krishna Prem) told me (when I stayed with him for two days):-

I saw God face to face in two places (1) in Bhagavan Ramana and (2) in Srirangam Temple – in Lord Ranganatha.

In India we extoll hundreds of sacred places as the manifestation of Lord in person so that people may get entangled atleast in one or the other.

When the father and son are one and we are all the sons, the legacy has to come and fall on us one day or other. If you want it earlier, please your father.
