

Fervency in Sadhana

YES, AS PER SASTRAS WE PRAY AT THE JUNCTIONS OF NIGHT & DAY (before stars disappear), noon & afternoon, evening & night – called SANDHYA KALA. IT IS PRESCRIBED

FERVENCY COMES WHERE YOU LEAVE SOMEBODY WHOLLY & SOLELY WITHOUT DIRECTING A PART of your love to (1) LIVING COMFORTABLY (2) EATING NICE THINGS (3) HUSBAND, WIFE, CHILDREN, FRIENDS etc. (4) our own BODY – so gather all these rays of love & concentrate.

HOW CAN IT COME

- (1) EVEN IF YOU DON'T HAVE FERVENCY POSE as if you have. Tell MOTHER – you are the only one I love – Tell it often & daily. A lie repeated 100 times becomes truth. Real LOVE will begin to bloom one day – it is like AUTO-HYPNOTISM
- (2) READ STORIES OF SAINTS WHO HAD LOVE ONLY for God.
- (3) The last but not least – GRACE OF THE LORD. One SHANTI MANTRA of Chandogya Upanishad says :- LORD – YOU DON'T REJECT ME. PLEASE GRACE COMES WHEN WE BEGIN TO SEE & REALISE GOD'S LOVE FOR ME. GOD NEVER REJECTS. HIS LOVE IS THERE FULL ALWAYS – BUT we are blind. Slowly the eyes will open. THAT IS GRACE.
