

God is everywhere

If you tell people ^{that} God is in
all rivers, all mountains & all
trees people will not believe.
Select a river Ganga, Select a
Peepul tree & condition people
to the belief that it is alone
DIVINE. This is a way to
raise the inner consciousness of
people.

If you tell people that God is in all rivers, all mountains and all trees, people will not believe. Select a river – Ganga, select a peepul tree and condition people to the belief that it is alone Divine. This is a way to raise the inner consciousness of people.
