

## God's lasso is very long

So Long as at one time, ~~we~~  
we have caught hold of God —  
later on DIVERTED TO COLDER  
DEVOTION, GOD WON'T leave us  
HIS LASSO IS Very Long  
but sure to catch by the neck.

So long as at one time we have caught hold of God – later on diverted to colder devotion, God won't leave us. His lasso is very long but sure to catch by the neck.
