

Hymn to God

We have a hymn where
Earth, Water, Air, Sun, Moon
are all integrated into GOD
WHO ASSIGNED JOBS for each
to enable progress of MAN Towards HIM
So breathing is the AIR HIS
TWO EYES represent SUN & MOON -
Thus the HYMN goes.

We have a hymn where Earth, Water, Air, Sun, Moon are all integrated into God who assigned jobs for each to enable progress of man towards Him. So breathing is the Air, His two eyes represent Sun and Moon. Thus the hymn goes.
