

Make every moment Eternal

TODAY 2 to 3 PM I meditated only as we were from
'VENKATESA SUPRA BHATAM' - sung for waking up ^{the} LORD
at TIRUPATI - It came suddenly to me.
" ^{or} ^{Permanently} ^{WORSHIPPING} ^{FRUIT} ^{YOU} ^{GIVE}
SAKRIT SEVAYA ~~ATA~~ NTYA SEVA PHALAM TWAM PRAYACHHA
^{ONE ONCE} ^{WORSHIPPING} ^{PRAYACHITA} ^{PRABHO} ^{VENKATESA} ^{GIVE ME}
OGIVE ME OH LORD OF TIRUPATI

Lord, I have managed to come & worship you this
once. I DO NOT KNOW whether ever again I may
have the mind, mood & facility to come & worship you.
Lord, you are generous in your boons. Please
give me the fruits (benefits) of eternally worshipping
you for this single time worship of mine.

yes today I meditate. What guarantee is
there whether I'll live this another day? Even if I
live this who knows whether I'll be in a mood to
meditate. Lord unless in your compassion take this
meditation as equal to eternal meditation &
bliss me what hope I shall have?

EVERY MOMENT OF MINE IN MEDITATION
MAKE IT ETERNAL

If once it comes back to the
WORLDLY THOUGHTS NO GUARANTEE IT
WOULD GO BACK TO YOU.

Today 2-3pm I meditated only on one verse from ‘Venkatesa Suprabhatam’ – sung for waking up the Lord at Tirupati – it came suddenly to me.

‘SAKRIT (only once) SEVAYA (worshipping) NITYA (permanently) SEVA (worshipping) PHALAM (fruit) TVAM (you) PRAYACHHA (give me) PRAYACHHA (give me) PRABHO (O Lord) VENKATESA (of Tirupati)’

Lord, I have managed to come and worship you this once. I do not know whether ever again I may have the mind, mood and facility to come and worship you. Lord, you are generous in your boons. Please give me the fruits (benefits) of eternally worshipping for this single time worship of thine.

Yes today I meditate. What guarantee is there whether I’ll live through another day? Even if I live through, who knows whether I’ll be in a mood to meditate. Lord, unless in your compassion you take this meditation as equal to eternal meditation and bless me what hope I shall have?

EVERY MOMENT OF MINE IN MEDITATION MAKE IT ETERNAL.

If once it comes back to the worldly thoughts, no guarantee it would go back to you.
