MURUGANAR'S WATCHWORD  
WAS :- HUMILITY, SURRENDER

The day we recognise from our heart that I am nothing, my entire body & mind is being used by the Lord as the instrument of his will — the Surrender starts. When once we surrender — no reaction to sorrow or sufferings — We can't ask HIM — What are you doing, Lord? So leave off drovship. No action is done by me. I am a witness. When the action is not done by me I am not concerned with the good or bad results. They are also left to the Lord. We reach the Witness State.
