

## No Calculations in Sadhana

NO MATHEMATICS – NO CALCULATION OF WHAT STAGE I'LL REACH – NEVER BOTHER ABOUT RESULTS – GRACE WHEN & HOW IT OVERTAKES YOU NOBODY KNOWS – THERE IS NO CALCULATION & TIME INDEX – NEVER BOTHER ABOUT STAGES.

CONTINUE SADHANA WITHOUT LEAST EXPECTATION & BE PREPARED TO DO IT FOR 1000 YEARS BUT HAVE THE ZEAL & ENTHUSIASM & THE PASSIVE EXCITEMENT AS IF YOU ARE GOING TO HAVE REALISATION IN TWO MORE SECONDS.

IF YOU THINK – IT WILL TAKE SO MUCH TIME – NOW I'M IN 2<sup>ND</sup> STAGE etc, IT IS AN OBSTACLE – IMPEDES YOUR PROGRESS – NO THOUGHT OF STAGE/RESULT.

No mathematics – no calculation of what stage I'll reach. Never bother about results. Grace when and how it overtakes you nobody knows. There is no calculation or time index – never bother about stages. Continue sadhana without least expectation and be prepared to do it for 1000 years but have the zeal and enthusiasm and passive excitement as if you are going to have realisation in two more seconds. If you think, 'It will take too much time, now I'm in second stage, etc.' - it is an obstacle – impedes your progress. No thought of stage/result.
