

## The Destination

YOU START ON THE TRAIN  
for DESTINATION – BUT UNLESS  
YOU GET DOWN + DISAPPEAR  
YOU CAN NEVER REACH DESTINATION.  
WHEN YOU REACH THE DESTINATION  
YOU FIND YOU WERE NEVER THERE  
AT ALL, NOR THE TRAIN + ONLY  
DESTINATION – BUT YOU ARE NOT  
THERE TO REALISE IT.

You start on the train for the destination – but unless you get down and disappear you can never reach (the) destination. When you reach the destination you find you were never there at all, nor the train and only destination – but you are not there to realise it.
