

The Real Sadhana

ULTIMATELY THE REAL SADHANA IS
TO CALL ON GOD HELPLESSLY NIGHT & DAY
→ "LORD, IF YOU DON'T HELP ME WHO ELSE
IS THERE.. MERCY LORD."
DO YOU THINK ANY "NO MIND STAGE",
"EGO running away" can all happen with our
mental or physical GYMNASTICS? ONLY HE
CAN GET YOU INTO ANY STAGE.

Ultimately the real sadhana is to call on God helplessly night and day –

"Lord, if you don't help me who else is there. Mercy Lord."

Do you think any "No Mind Stage", "Ego Running Away" can all happen with our mental or physical gymnastics? Only He can get you into any stage.
