

## The 'Word'

In the Beginning the wighthe Word (St John)
The Word was Drs. Silvina is the Afgre
Where all desires drop, Vasanes
wither away and there is no suppressions—
LITY or I is left + the World has
disappeared— Goly the Self-Conscious
PLESENCE—EXISTS.

In the beginning there was the 'Word' (St. John). The Word was Om. Silence is the stage when all desires drop, vasanas wither away and there is no individuality nor I is left and the world has disappeared. Only the Self-conscious Presence exists.
